We Need Your Help! *Come And Volunteer With Us!*

To help us maintain our full schedule and continue to offer a broad range of programs, the Great Swamp Outdoor Education Center needs volunteers - adults, students, and service organizations. No experience is required, just an interest in nature!

The Great Swamp Outdoor Education Center, operated by the Morris County Park Commission, is a teaching center for natural and environmental studies. The facility borders the Great Swamp National Wildlife Refuge and serves as an outdoor classroom. School groups, scouts, clubs, and the general public are invited to visit the park and attend the Center's many nature programs. The Center is open 7 days a week, 9:00am to 4:30pm.
