

# Welcome to The Frelinghuysen Arboretum STAY AT HOME SCAVENGER HUNT

Did you know that an Arboretum is a museum of plants? Here you can touch, feel, and smell plants. Since you can't come to the Arboretum, here is a way to enjoy nature in your neighborhood.

Below is a list of things to find on your hunt today. These include a combination of 'Observe' items (which have to be checked off when they have been found) and 'Photograph' items (such as a leaf or a twig). Once Covid-19 STAY at HOME is over, visit the Frelinghuysen Arboretum and bring in your list and photographs and receive a prize!

## Find and Photograph:

--a green leaf

--a round stone

--a leaf of a different color

--a straight stick or twig

--a long blade of grass

--a flower blossom on the ground

## Look for and Observe:

\_\_\_ flowers on a tree or bush

\_\_\_ a bird's nest

\_\_\_ a plant that has a smell

\_\_\_ a wooden bench

\_\_\_ a tree stump

\_\_\_ a plant you can eat
