

Jonathan's Woods

LOCATOR MAP

BIRDERS LOOP

Hike Time: 1.5 hours (approx.)
Hike Length: 2.11 miles

The Birders Loop winds through a variety of habitats, allowing visitors the opportunity to observe a wide diversity of bird species. Starting in an area of early succession, the trail drops into a conifer forest that borders the Beaver Brook wetland, a short ascent brings you to upland deciduous forest, and then back down along a woodland stream to a low wetland forest.
