

**Trail Users - Caution**

BOW AND FIREARM hunting permitted in some areas along trails. "Hunter Orange" clothing suggested during hunting season. FOR INFORMATION about hunting seasons contact State Fish & Game at 908.735.8240.

THE SURFACE of the Patriots' Path treadway varies with locality and terrain. Two miles of paved path run from Lake Rd. to Washington Valley Rd. in Morris Twp. Other sections are stabilized with crushed stone and gravel, and still others are left as narrow paths on earth and rock. Several miles lie on cinder and gravel beds of old railroad lines in Morris and Chester Twps. Boots with ankle support are recommended when hiking this trail network.
