Attention Users

Bow and firearm hunting permitted in some areas along trails. "Hunter orange" clothing suggested during hunting season. For information about hunting seasons in state parklands, please contact NJDEP Division of Fish & Wildlife Bureau of Law Enforcement at 908.735.8240. For information about hunting in county parklands, please contact the MCPC Natural Resources Office at 973.285.6552.

Dogs must remain on a 6' leash as per Article III, Section 3 of the Morris County Park Commission Rules and Regulations.

Conditions of Patriots' Path are dependent on seasonal weather patterns.

The surface of the Patriots' Path treadway varies with locality and terrain. Two miles of paved path run from Lake Rd. to Washington Valley Rd. in Morris Township. Other sections are stabilized with crushed stone and gravel, and still others are left as narrow paths on each and rock. Several miles lie on cinder and gravel beds of old railroad lines in Morris and Chester Townships. Boots with ankle support are recommended when hiking this trail network.
